LONGING FOR NATURE

Training Course in Mikołów, Poland
08-15.10.2023

Co-funded by
the European Union

A background image showing a pair of hands cupped together, holding a small green seedling growing out of dark soil. A green circle is overlaid on the left side of the image, containing the text 'PROJECT GOAL' in white.

PROJECT GOAL

MAIN GOAL

One of the goals we would like to achieve is **the development of key competences** and **increasing knowledge** about the environment, climate change and **the implementation of pro-ecological attitudes** among the participants of our project.

the European Union

PROJECT GOAL

MAIN GOAL

We want to achieve our main goal on two levels:

- **the first level:** the development of key competences among our partner organizations participating in the project and their teams;
- **the next level:** the development of key competences among the groups with which the organizations work together in their daily activities.

PARTICIPANTS

TARGET GROUPS

In the frame of our project we choose to work with 3 main target group:

- employees and management of partner organizations;
- instructors and educators cooperating with local communities;
- recipients of activities of partner organizations and organizations invited by the partner organizations from Poland, Italy and Greece.
