About this document

This document was produced to support participants in accessing and using the **Building Bridges** online learning programme. It provides a clear overview of the purpose of the course, explains its connection to the wider project, and offers practical guidance on how to enter the platform, enroll, and navigate the learning path. The aim is to make the experience more accessible, understandable, and user-friendly for all participants, regardless of their previous familiarity with online learning environments.

About the project

This project builds on the need to integrate young people from diverse socio-economic, cultural, and geographical backgrounds into a cohesive program that enhances digital literacy, fosters intercultural understanding, and supports democratic engagement. Such integration is extremely important in a period where technological advancements rapidly reshape societies, and where global crises require united global responses.

Thus, the project "Building Bridges" aims to empower and engage young people across diverse geographic and cultural contexts by developing their digital, intercultural, and critical thinking skills through a comprehensive eLearning program and facilitated virtual exchanges, thereby promoting a deeper understanding of and active participation in achieving the European Youth Goals and the Sustainable Development Goals.

How to use this platform

- You can complete the modules **at your own pace**.
- Each module includes short inputs, reflection questions, and practical examples.
- There are no "right" or "wrong" answers. What matters most is your engagement and openness to learning.
- The ideas you explore here will return during live sessions, discussions, and group activities.

We encourage you to take your time, reflect honestly, and stay curious throughout the learning journey.

About the e-course

The online learning programme is your **starting point for the virtual youth exchanges** you will soon experience. It is designed to help you build the knowledge, skills, and confidence needed to take part actively in meaningful discussions with peers from across Europe and beyond.

What is this learning programme about?

The *Building Bridges* programme helps young people become **active, informed, and engaged global citizens**. Through a combination of short eLearning modules and live virtual exchanges, you will explore the following topics:

- **European Youth Goals** and how they relate to your own life and community
- Global challenges and Sustainable Development Goals (SDGs)
- Intercultural understanding and dialogue
- **Critical thinking**, public speaking, and expressing your ideas with confidence
- **Campaigning and civic engagement**, especially in digital and international contexts
- The eLearning modules provide a shared foundation so that, when you meet other young people online, you already have common concepts, language, and reflection tools to support open and respectful conversations.

How to access the e-course

From the project's website

From the project's website, go to your preferred language and select the course from the **LIBRARY** page. **Then proceed to the enrolment section.**

The screenshot shows the Building Bridges website. At the top, there is a navigation bar with links: Home, About Building Bridges (highlighted), Library&Gallery, Virtual exchanges, News&Events, and Partners. Below the navigation bar, there is a section titled 'Connect with other communities' with a list of languages: Arabic, French, German, Greek, Italian, and Portuguese. To the right of the language list is a large illustration of two people standing on a ladder, holding up a large puzzle piece, with other puzzle pieces floating around them. Below the illustration, there is a section titled 'Building Bridges' with a description: 'Building Bridges is a dynamic, youth-centered initiative designed to promote the European Youth Goals, foster intercultural understanding, and strengthen key soft skills such as critical thinking, public speaking, and digital communication.' Below this, there is a section titled 'Why Building Bridges?' with a description: 'We believe that virtual exchanges and accessible learning opportunities can empower every young person—regardless of background or location—to become active, informed, and confident changemakers.' At the bottom, there is a section titled 'From Local Actions to Global Impact' with a description: 'Through innovative online tools and international collaboration, participants discover how their local efforts contribute to broader global objectives—connecting the dots between community engagement, the European Youth Goals, and the UN Sustainable Development Goals.'

Overview Curriculum Instructor

Benvenuti nel programma eLearning Building Bridges! - Il vostro percorso di apprendimento inizia qui!

State per prendere parte a un'esperienza di apprendimento internazionale pensata per mettere in contatto giovani provenienti da paesi, culture e realtà diverse attraverso il dialogo, la riflessione e la collaborazione. Questo programma di apprendimento online è il punto di partenza per gli scambi giovanili virtuali che vivrete prossimamente. Vi aiuterà a sviluppare le conoscenze, le competenze e la fiducia necessarie per partecipare attivamente a discussioni significative con coetanei provenienti da tutta Europa e oltre.

Di cosa tratta questo programma di apprendimento?

Il programma Building Bridges si concentra sul supportare i giovani nel diventare cittadini globali attivi, informati e impegnati. Attraverso una combinazione di brevi moduli e-learning e scambi virtuali del vivo, explorerete:

- Gli Obiettivi europei per la gioventù e il loro legame con la vostra vita e la vostra comunità
- Le sfide globali e gli Obiettivi di Sviluppo Sostenibile (SDG)
- La comprensione e il dialogo interculturale
- Il pensiero critico, il public speaking e l'espressione delle proprie idee con sicurezza
- L'attivismo, le campagne e l'impegno civico, in particolare nei contesti digitali e internazionali

I moduli e-learning vi forniscono una base comune così che, quando incontrerete online altri giovani, abbiate già concetti condivisi, un linguaggio comune e strumenti di riflessione per sostenere conversazioni aperte e rispettose.

In che modo l'eLearning vi collega agli scambi virtuali?

I moduli e-learning non sono solo lezioni teoriche: sono una vera e propria preparazione all'azione. Durante il percorso, vi immergerete in:

Σχετικά με αυτό το έγγραφο

Αυτό το έγγραφο δημιουργήθηκε για να υποστηρίξει τους συμμετέχοντες στην πρόσβαση και τη χρήση του **διαδικτυακού προγράμματος μάθησης Building Bridges**. Παρέχει μια σαφή επισκόπηση του σκοπού του μαθήματος, εξηγεί τη σύνδεσή του με το ευρύτερο έργο και προσφέρει πρακτική καθοδήγηση σχετικά με τον τρόπο εισόδου στην πλατφόρμα, εγγραφής και πλοήγησης στη μαθησιακή διαδρομή. Στόχος είναι να γίνει η εμπειρία πιο προσιτή, κατανοητή και φιλική προς τον χρήστη για όλους τους συμμετέχοντες, ανεξάρτητα από την προηγούμενη εξοικείωσή τους με τα διαδικτυακά περιβάλλοντα μάθησης.

Σχετικά με το έργο

Αυτό το έργο βασίζεται στην ανάγκη ένταξης νέων από διαφορετικά κοινωνικοοικονομικά, πολιτιστικά και γεωγραφικά υπόβαθρα σε ένα συνεκτικό πρόγραμμα που ενισχύει τον ψηφιακό γραμματισμό, προωθεί τη διαπολιτισμική κατανόηση και υποστηρίζει τη δημοκρατική συμμετοχή. Αυτή η ολοκλήρωση είναι εξαιρετικά σημαντική σε μια περίοδο όπου οι τεχνολογικές εξελίξεις αναδιαμορφώνουν γρήγορα τις κοινωνίες και όπου οι παγκόσμιες κρίσεις απαιτούν ενωμένες παγκόσμιες απαντήσεις.

Έτσι, το έργο «Χτίζοντας Γέφυρες» στοχεύει στην ενδυνάμωση και τη συμμετοχή των νέων σε διαφορετικά γεωγραφικά και πολιτισμικά πλαίσια, αναπτύσσοντας τις δεξιότητες ψηφιακής, διαπολιτισμικής και κριτικής σκέψης τους μέσω ενός ολοκληρωμένου προγράμματος ηλεκτρονικής μάθησης και διευκολυνόμενων εικονικών ανταλλαγών, προωθώντας έτσι τη βαθύτερη κατανόηση και την ενεργό συμμετοχή στην επίτευξη των Ευρωπαϊκών Στόχων για τη Νεολαία και των Στόχων Βιώσιμης Ανάπτυξης.

Πώς να χρησιμοποιήσετε αυτήν την πλατφόρμα

- Μπορείτε να ολοκληρώσετε τις ενότητες **με τον δικό σας ρυθμό**.
- Κάθε ενότητα περιλαμβάνει σύντομες εισροές, ερωτήσεις προβληματισμού και πρακτικά παραδείγματα.
- Δεν υπάρχουν «σωστές» ή «λάθος» απαντήσεις. Αυτό που έχει μεγαλύτερη σημασία είναι η δέσμευσή σας και το άνοιγμα στη μάθηση.
- Οι ιδέες που εξερευνάτε εδώ θα επιστρέψουν κατά τη διάρκεια ζωντανών συνεδριών, συζητήσεων και ομαδικών δραστηριοτήτων.

Σας ενθαρρύνουμε να αφιερώσετε χρόνο, να σκεφτείτε με ειλικρίνεια και να παραμείνετε περίεργοι καθ' όλη τη διάρκεια του μαθησιακού ταξιδιού.

Σχετικά με το ηλεκτρονικό μάθημα

Το διαδικτυακό πρόγραμμα μάθησης είναι το **σημείο εκκίνησης για τις εικονικές ανταλλαγές νέων** που θα ζήσετε σύντομα. Έχει σχεδιαστεί για να σας βοηθήσει να αναπτύξετε τις γνώσεις, τις δεξιότητες και την αυτοπεποίθηση που απαιτούνται για να συμμετέχετε ενεργά σε ουσιαστικές συζητήσεις με συνομηλίκους από όλη την Ευρώπη και πέραν αυτής.

Τι αφορά αυτό το εκπαιδευτικό πρόγραμμα;

Το πρόγραμμα *Building Bridges* βοηθά τους νέους να γίνουν ενεργοί, ενημερωμένοι και αφοσιωμένοι παγκόσμιοι πολίτες. Μέσω ενός συνδυασμού σύντομων ενοτήτων ηλεκτρονικής μάθησης και ζωντανών εικονικών ανταλλαγών, θα εξερευνήσετε τα ακόλουθα θέματα:

- **Ευρωπαϊκοί στόχοι για τη νεολαία** και πώς σχετίζονται με τη ζωή και την κοινότητά σας
- **Παγκόσμιες προκλήσεις και Στόχοι Βιώσιμης Ανάπτυξης (ΣΒΑ)**
- **Διαπολιτισμική κατανόηση και διάλογος**
- **Κριτική σκέψη**, δημόσια ομιλία και έκφραση των ιδεών σας με αυτοπεποίθηση
- **Εκστρατείες και συμμετοχή στα κοινά**, ιδίως σε ψηφιακά και διεθνή πλαίσια
- Οι ενότητες eLearning παρέχουν μια κοινή βάση, έτσι ώστε, όταν συναντάτε άλλους νέους στο διαδίκτυο, να έχετε ήδη κοινές έννοιες, γλώσσα και εργαλεία προβληματισμού για να υποστηρίξετε ανοιχτές και σεβαστές συνομιλίες.

Global Goals for Young People: SDGs & European Youth Goals Explained Simply

START COURSE

Have you ever wondered how young people can help solve the world's biggest challenges? This course will introduce you to the United Nations Sustainable Development Goals (SDGs) and the European Youth Goals, showing how these global and European frameworks connect to your life and community. Through simple explanations, real-life examples, and interactive reflections, you'll discover what each goal means, why they matter, and how you can make a difference. By the end, you'll feel empowered to take action—locally and globally—and be part of a movement for positive change.

حول هذه الوثيقة

واستخدامه. وهي تقدّم عرضًا واضحًا لهدف **Building Bridges** أعدت هذه الوثيقة لدعم المشاركين في الوصول إلى برنامج التعلّم عبر الإنترنت الدورة، وتشرح ارتباطها بالمشروع الأوسع، وتوفّر إرشادات عملية حول كيفية الدخول إلى المنصة، والتسجيل، والتنقل في مسار التعلّم. والغاية هي جعل التجربة أكثر سهولة ووضوحًا وملاءمة لجميع المشاركين، بغضّ النظر عن مدى خبرتهم السابقة ببيئات التعلّم عبر الإنترنت.

حول المشروع

ينطلق هذا المشروع من الحاجة إلى دمج الشباب من خلفيات اجتماعية واقتصادية وثقافية وجغرافية متنوعة في برنامج متماسك يعزّز الثقافة الرقمية ويشجّع التفاهم بين الثقافات، ويدعم المشاركة الديمقراطية. ويكتسب هذا الدمج أهمية كبيرة في مرحلة تعيد فيها التطورات التكنولوجية تشكيل المجتمعات بسرعة، وفي وقت تتطلّب فيه الأزمات العالمية استجابات عالمية موحّدة.

إلى تمكين الشباب وإشراكهم عبر سياقات جغرافية وثقافية متنوعة من خلال تطوير مهاراتهم الرقمية "Building Bridges" لذلك، يهدف مشروع ومهارات التفاهم بين الثقافات، والتفكير النقدي، وذلك عبر برنامج تعلّم إلكتروني شامل وتبادلات افتراضية ميسرة، بما يعزّز فهمًا أعمق لأهداف الشباب الأوروبية وأهداف التنمية المستدامة والمشاركة الفاعلة في تحقيقها.

كيفية استخدام هذه المنصة

- يمكنك إكمال الوحدات بالوتيرة التي تناسبك.
- تتضمن كل وحدة مدخلات قصيرة، وأسئلة للتأمل، وأمثلة عملية.
- لا توجد إجابات «صحيحة» أو «خاطئة». «الأهم هو تفاعلك وانفتاحك على التعلّم.
- ستعود الأفكار التي تستكشفها هنا خلال الجلسات المباشرة، والمناقشات، والأنشطة الجماعية.

نشجّعك على التمهّل، والتأمل بصدق، والحفاظ على روح الفضول طوال رحلة التعلّم.

حول الدورة الإلكترونية

برنامج التعلّم عبر الإنترنت هو نقطة البداية للتبادلات الشبابية الافتراضية التي ستخوضها قريبًا. وقد صُمّم لمساعدتك على بناء المعرفة والمهارات والثقة اللازمة للمشاركة بفاعلية في مناقشات هادفة مع أقران من مختلف أنحاء أوروبا وخارجها.

عمّ يتحدث هذا البرنامج التعليمي؟

الشباب على أن يصبحوا مواطنين عالميين فاعلين وواعين ومشاركين. ومن خلال مزيج من وحدات التعلّم **Building Bridges** يساعد برنامج: الإلكتروني القصيرة والتبادلات الافتراضية المباشرة، ستستكشفون الموضوعات التالية:

Global Goals for Young People: SDGs & European Youth Goals Explained Simply

START COURSE

Have you ever wondered how young people can help solve the world's biggest challenges? This course will introduce you to the United Nations Sustainable Development Goals (SDGs) and the European Youth Goals, showing how these global and European frameworks connect to your life and community. Through simple explanations, real-life examples, and interactive reflections, you'll discover what each goal means, why they matter, and how you can make a difference. By the end, you'll feel empowered to take action—locally and globally—and be part of a movement for positive change.

SWAHILI

Kuhusu hati hii

Hati hii imeandaliwa ili kuwasaidia washiriki kufikia na kutumia programu ya kujifunza mtandaoni ya **Building Bridges**. Inatoa muhtasari wazi wa madhumuni ya kozi, inaeleza uhusiano wake na mradi mpana zaidi, na inatoa mwongozo wa vitendo kuhusu jinsi ya kuingia kwenye jukwaa, kujiandikisha, na kuvinjari njia ya kujifunza. Lengo ni kufanya uzoefu huu uwe rahisi kufikiwa, kueleweka, na kuwa rafiki kwa mtumiaji kwa washiriki wote, bila kujali uzoefu wao wa awali katika mazingira ya kujifunza mtandaoni.

Kuhusu mradi

Mradi huu unajengwa juu ya hitaji la kuwaunganisha vijana kutoka mazingira tofauti ya kijamii na kiuchumi, kitamaduni, na kijiografia katika programu moja yenye mshikamano inayoboresha ujuzi wa kidijitali, kukuza uelewa wa tamaduni mbalimbali, na kuunga mkono ushiriki wa kidemokrasia. Muunganiko huu ni muhimu sana katika kipindi ambacho maendeleo ya teknolojia yanabadilisha jamii kwa kasi, na ambapo migogoro ya kimataifa inahitaji majibu ya pamoja ya dunia.

Hivyo, mradi wa "Building Bridges" unalenga kuwawezesha na kuwahusisha vijana katika mazingira mbalimbali ya kijiografia na kitamaduni kwa kukuza ujuzi wao wa kidijitali, wa kitamaduni, na wa kufikiri kwa kina kupitia programu ya kina ya eLearning na mabadilishano ya mtandaoni yanayoongozwa, na hivyo kuhamasisha uelewa wa kina na ushiriki wa vitendo katika kufanikisha Malengo ya Vijana ya Ulaya na Malengo ya Maendeleo Endelevu.

Jinsi ya kutumia jukwaa hili

- Unaweza kukamilisha moduli **kwa kasi yako mwenyewe**.
- Kila moduli inajumuisha maelezo mafupi, maswali ya kutafakari, na mifano ya vitendo.
- Hakuna majibu ya "sahihi" au "makosa". Kilicho muhimu zaidi ni ushiriki wako na uwazi wako wa kujifunza.
- Mawazo utakayochunguza hapa yatarudiwa wakati wa vipindi vya moja kwa moja, majadiliano, na shughuli za kikundi.

Tunakuhimiza uchukue muda wako, kutafakari kwa uaminifu, na kubaki na hamu ya kujifunza katika safari hii yote ya mafunzo.

Kuhusu kozi ya mtandaoni

Project Reference No 101193453
ERASMUS-EDU-2024-VIRT-EXCH

Programu ya kujifunza mtandaoni ni **hatua yako ya kuanzia kwa mabadilishano ya vijana ya mtandaoni** utakayoshiriki hivi karibuni. Imeundwa kukusaidia kujenga maarifa, ujuzi, na kujiamini unaohitajika ili kushiriki kikamilifu katika majadiliano yenye maana na wenzako kutoka Ulaya na kwingineko.

Programu hii ya kujifunza inahusu nini?

Programu ya *Building Bridges* inawasaidia vijana kuwa **raia wa dunia walio hai, wenye taarifa, na wanaoshiriki**. Kupitia mchanganyiko wa moduli fupi za eLearning na mabadilishano ya moja kwa moja mtandaoni, utachunguza mada zifuatazo:

- **Malengo ya Vijana ya Ulaya** na jinsi yanavyohusiana na maisha yako na jamii yako
- **Changamoto za dunia na Malengo ya Maendeleo Endelevu (SDGs)**
- **Uelewa na mazungumzo ya kitamaduni**
- **Kufikiri kwa kina**, kuzungumza mbele ya watu, na kueleza mawazo yako kwa kujiamini
- **Uendeshaji wa kampeni na ushiriki wa kiraia**, hasa katika mazingira ya kidijitali na ya kimataifa
- Moduli za eLearning hutoa msingi wa pamoja ili, unapokutana na vijana wengine mtandaoni, tayari uwe na dhana za pamoja, lugha, na zana za kutafakari za kusaidia mazungumzo ya wazi na ya heshima.

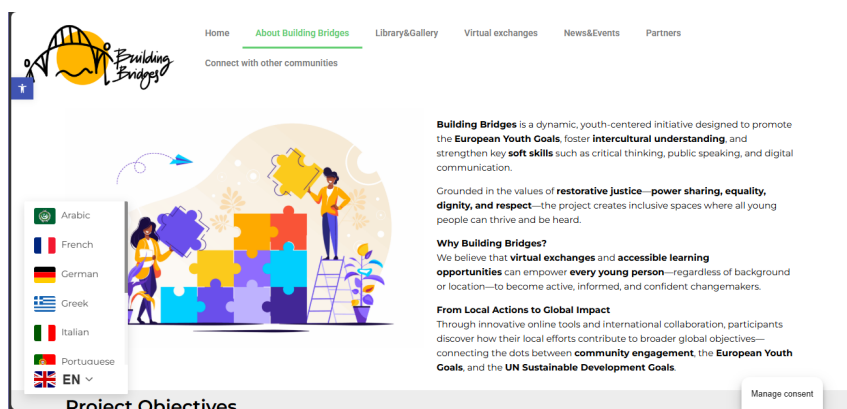

Taarifa muhimu

Kwa sababu za kiufundi, kiolesura cha jukwaa hakijatafsiriwa kikamilifu. Hata hivyo, unaweza kutumia zana ya tafsiri iliyojengewa ndani ya kivinjari chako kutafsiri amri zinazoonekana kwenye skrini. Tafadhali angalia mipangilio ya kivinjari au kifaa chako ili kuamsha kipengele hiki ikiwa kinahitajika.

Sehemu ya kuingia

ITALIAN

Informazioni su questo documento

Questo documento è stato prodotto per supportare i partecipanti nell'accesso e nell'utilizzo del programma di apprendimento online **Building Bridges**. Fornisce una panoramica chiara dello scopo del corso, ne spiega il collegamento con il progetto più ampio e offre indicazioni pratiche su come accedere alla piattaforma, iscriversi e orientarsi nel percorso formativo. L'obiettivo è rendere l'esperienza più accessibile, comprensibile e facile da usare per tutti i partecipanti, indipendentemente dalla loro precedente familiarità con gli ambienti di apprendimento online.

Informazioni sul progetto

Questo progetto nasce dalla necessità di integrare giovani provenienti da contesti socioeconomici, culturali e geografici diversi in un programma coerente che rafforzi le competenze digitali, favorisca la comprensione interculturale e sostenga l'impegno democratico. Tale integrazione è estremamente importante in un periodo in cui i progressi tecnologici trasformano rapidamente le società e in cui le crisi globali richiedono risposte globali unite.

Pertanto, il progetto "Building Bridges" mira a dare potere e coinvolgere i giovani in diversi contesti geografici e culturali, sviluppando le loro competenze digitali, interculturali e di pensiero critico attraverso un programma completo di eLearning e scambi virtuali facilitati, promuovendo così una comprensione più profonda e una partecipazione attiva al raggiungimento degli Obiettivi europei per la gioventù e degli Obiettivi di sviluppo sostenibile.

Come utilizzare questa piattaforma

- Puoi completare i moduli **al tuo ritmo**.
- Ogni modulo include brevi contenuti, domande di riflessione ed esempi pratici.
- Non ci sono risposte "giuste" o "sbagliate". Ciò che conta di più è il tuo coinvolgimento e la tua apertura all'apprendimento.
- Le idee che esplorerai qui torneranno durante le sessioni dal vivo, le discussioni e le attività di gruppo.

Ti incoraggiamo a prenderti il tuo tempo, riflettere con sincerità e restare curioso durante tutto il percorso di apprendimento.

Informazioni sul corso online

Il programma di apprendimento online è il tuo **punto di partenza per gli scambi virtuali giovanili** che vivrai presto. È progettato per aiutarti a sviluppare le conoscenze, le competenze e la sicurezza necessarie per partecipare attivamente a discussioni significative con coetanei provenienti da tutta Europa e oltre.

Project Reference No 101193453
ERASMUS-EDU-2024-VIRT-EXCH

Di cosa tratta questo programma di apprendimento?

Il programma *Building Bridges* aiuta i giovani a diventare **cittadini globali attivi, informati e coinvolti**. Attraverso una combinazione di brevi moduli di eLearning e scambi virtuali dal vivo, esplorerai i seguenti temi:

- **Obiettivi europei per la gioventù** e il loro collegamento con la tua vita e la tua comunità
- **Sfide globali e Obiettivi di sviluppo sostenibile (SDGs)**
- **Comprensione e dialogo interculturale**
- **Pensiero critico**, parlare in pubblico ed esprimere le tue idee con sicurezza
- **Campagne e impegno civico**, soprattutto in contesti digitali e internazionali
- I moduli di eLearning forniscono una base condivisa affinché, quando incontrerai altri giovani online, tu abbia già concetti, linguaggio e strumenti di riflessione comuni per sostenere conversazioni aperte e rispettose.

Overview Curriculum Instructor

Benvenuti nel programma eLearning Building Bridges! - Il vostro percorso di apprendimento inizia qui

State per prendere parte a un'esperienza di apprendimento internazionale pensata per mettere in contatto giovani provenienti da paesi, culture e realtà diverse attraverso il dialogo, la riflessione e la collaborazione. Questo programma di apprendimento online è il punto di partenza per gli scambi giovanili virtuali che viete prossimamente. Vi aiuterà a sviluppare le conoscenze, le competenze e la fiducia necessarie per partecipare attivamente a discussioni significative con coetanei provenienti da tutta Europa e oltre.

Di cosa tratta questo programma di apprendimento?

Il programma Building Bridges si concentra sul supportare i giovani nel diventare cittadini globali attivi, informati e impegnati. Attraverso una combinazione di brevi moduli eLearning e scambi virtuali dal vivo, explorerete:

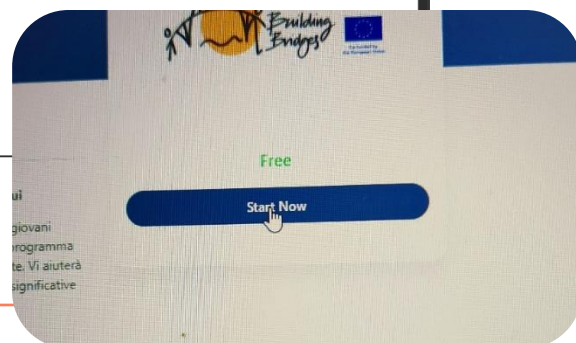

- Gli Obiettivi europei per la gioventù e il loro legame con la vostra vita e la vostra comunità
- Le sfide globali e gli Obiettivi di Sviluppo Sostenibile (SDG)
- La comprensione e il dialogo interculturale
- Il pensiero critico, il public speaking e l'espressione delle proprie idee con sicurezza
- L'attivismo, le campagne e l'impegno civico, in particolare nei contesti digitali e internazionali

I moduli eLearning vi forniscono una base comune così che, quando incontrerete online altri giovani, abbiate già concetti condivisi, un linguaggio comune e strumenti di riflessione per sostenere conversazioni aperte e rispettose.

In che modo l'eLearning si collega agli scambi virtuali?

I moduli eLearning non sono solo lezioni teoriche: sono una vera e propria preparazione all'azione. Durante il percorso, vi inviteremo a:

Global Goals for Young People: SDGs & European Youth Goals Explained Simply

START COURSE

Have you ever wondered how young people can help solve the world's biggest challenges? This course will introduce you to the United Nations Sustainable Development Goals (SDGs) and the European Youth Goals, showing how these global and European frameworks connect to your life and community. Through simple explanations, real-life examples, and interactive reflections, you'll discover what each goal means, why they matter, and how you can make a difference. By the end, you'll feel empowered to take action—locally and globally—and be part of a movement for positive change.

Despre acest document

Acest document a fost elaborat pentru a sprijini participanții în accesarea și utilizarea programului de învățare online **Building Bridges**. El oferă o prezentare clară a scopului cursului, explică legătura acestuia cu proiectul mai amplu și oferă îndrumări practice despre cum să accesați platforma, să vă înscrieți și să parcurgeți traseul de învățare. Scopul este de a face experiența mai accesibilă, mai ușor de înțeles și mai prietenoasă pentru toți participanții, indiferent de nivelul lor anterior de familiaritate cu mediile de învățare online.

Despre proiect

Acest proiect pornește de la nevoia de a integra tineri din medii socio-economice, culturale și geografice diverse într-un program coerent care îmbunătățește alfabetizarea digitală, încurajează înțelegerea interculturală și susține implicarea democratică. O astfel de integrare este extrem de importantă într-o perioadă în care progresele tehnologice transformă rapid societățile și în care crizele globale necesită răspunsuri globale unite.

Astfel, proiectul „Building Bridges” își propune să ofere tinerilor din contexte geografice și culturale diverse instrumentele necesare pentru a se implica activ, prin dezvoltarea competențelor digitale, interculturale și de gândire critică printr-un program complet de eLearning și schimburi virtuale facilitate, promovând astfel o înțelegere mai profundă și o participare activă la atingerea Obiectivelor Europene pentru Tineret și a Obiectivelor de Dezvoltare Durabilă.

Cum să utilizați această platformă

- Puteți parcurge modulele **în ritmul propriu**.
- Fiecare modul include prezentări scurte, întrebări de reflecție și exemple practice.
- Nu există răspunsuri „corecte” sau „greșite”. Ceea ce contează cel mai mult este implicarea voastră și deschiderea către învățare.
- Ideile pe care le explorați aici vor reveni în timpul sesiunilor live, al discuțiilor și al activităților de grup.

Vă încurajăm să vă luați timp, să reflectați sincer și să rămâneți curioși pe tot parcursul experienței de învățare.

Despre cursul online

Programul de învățare online este **punctul vostru de plecare pentru schimburile virtuale de tineret** pe care le veți experimenta în curând. El este conceput pentru a vă ajuta să construiți cunoștințele, competențele și încrederea necesare pentru a participa activ la discuții relevante cu colegi din întreaga Europă și din alte regiuni.

ERASMUS-EDU-2024-VIRT-EXCH

Despre ce este acest program de învățare?

Programul *Building Bridges* îi ajută pe tineri să devină **cetățeni globali activi, informați și implicați**. Printr-o combinație de module scurte de eLearning și schimburi virtuale live, veți explora următoarele teme:

- **Obiectivele Europene pentru Tineret** și modul în care acestea se raportează la propria voastră viață și comunitate
- **Provocări globale și Obiectivele de Dezvoltare Durabilă (ODD)**
- **Înțelegere și dialog intercultural**
- **Gândire critică**, vorbire în public și exprimarea ideilor cu încredere
- **Campanii și implicare civică**, în special în contexte digitale și internaționale
- Modulele de eLearning oferă o bază comună astfel încât, atunci când întâlniți alți tineri online, să aveți deja concepte, limbaj și instrumente de reflecție comune pentru a susține conversații deschise și respectuoase.

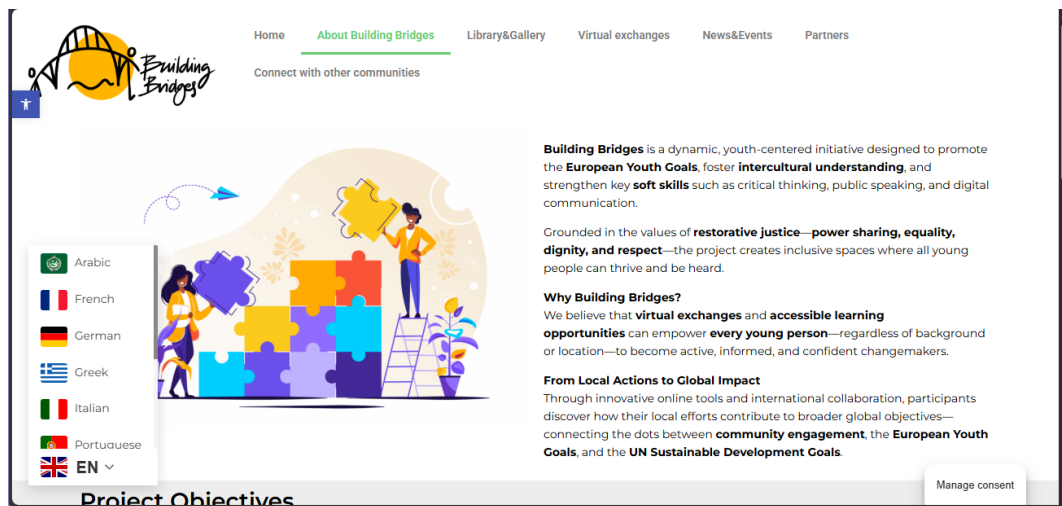

Informații importante

Din motive tehnice, interfața platformei nu este complet tradusă. Totuși, puteți utiliza instrumentul de traducere integrat în browser pentru a traduce comenzile afișate pe ecran. Vă rugăm să verificați setările browserului sau ale dispozitivului pentru a activa această funcție, dacă este necesar.

Final Reflection & Readiness Evaluation

Building Bridges - eLearning Programme

Why this evaluation?
You have now completed the eLearning journey that prepares you for the Building Bridges virtual youth exchanges.

This final reflection is a moment to:

- Look back at your learning process
- Reflect on your motivation and engagement
- Check in with yourself about your readiness to participate
- Share what you need in order to feel safe, confident, and involved

There are no right or wrong answers. What matters is honesty.

Estimated time to complete 10-15 minutes

The information collected will be processed anonymously and used exclusively for research and project development purposes. No personal identifiers, including email addresses, will be collected or stored. All responses will be treated confidentially and analysed only in aggregated form, in compliance with the General Data Protection Regulation (EU) 2016/679.

Evaluarea finală este prezentată în aceeași limbă ca și cursul și este oferită printr-un formular Google.

După completarea evaluării finale, nu uitați să reveniți pe platformă și să faceți clic pe **COMPLETE**.

Building Bridges in English 1 of 2 items

Final evaluation

Congratulations on completing the Building Bridges eLearning course!

Before moving on to the phase of **exchange and dialogue experiences**, we ask you to take just **10-15 minutes** for this short final reflection.

This questionnaire is a space just for you to:

- pause for a moment and look back on your journey;
- reflect on what you have learned and how you feel;
- share what would help you participate in a calm, safe, and active way.

There are no right or wrong answers; what matters is only **your experience and your point of view**.

Your responses are **anonymous** and will help us build virtual exchanges that are increasingly **inclusive, respectful, and meaningful for everyone**.

Ku saabsan dukumentigan

Dokumentigan waxaa loo diyaariyey si uu uga caawiyo ka-qaybgalayaasha helitaanka iyo isticmaalka barnaamijka waxbarasho ee onleenka ah ee **Building Bridges**. Waxa uu bixiyaa dulmar cad oo ku saabsan ujeeddada koorsada, waxa uu sharxayaa xiriirka ay la leedahay mashruuca guud, wuxuuna siinayaa tilmaamo wax ku ool ah oo ku saabsan sida loo galo madasha, loo isdiiwaangeliyo, loona maro jidka waxbarashada. Ujeeddadu waa in khibrada loo fududeeyo, loo fahamsiiyo, loogana dhigo mid si sahlan loo adeegsan karo dhammaan ka-qaybgalayaasha, iyadoon loo eegin heerka ay hore ugu barten deegaanada waxbarashada onleenka ah.

Ku saabsan mashruuca

Mashruucani wuxuu ku dhisan yahay baahida loo qabo in dhalinyarada ka kala timaadda duruufo dhaqan-dhaqaale, dhaqan iyo juqraafi oo kala duwan lagu daro barnaamij mideysan oo kor u qaadaya aqoonta dhijitaalka ah, dhiirrigeliya isfahamka dhaqamada kala duwan, isla markaana taageera ka-qaybgalka dimuqraaddiga ah. Isdhexgal noocan ahi aad buu muhiim u yahay xilli horumarka tignoolajiyadu si degdeg ah u beddelayo bulshooyinka, isla markaana dhibaatooyinka caalamiga ahi ay u baahan yihiin jawaabo mideysan oo heer caalami ah.

Sidaas darteed, mashruuca "Building Bridges" wuxuu higsanayaa inuu awood siiyo oo uu hawlgeliyo dhalinyarada ku kala nool deegaano juqraafi iyo dhaqan oo kala duwan, isagoo horumarinaya xirfadahooda dhijitaalka ah, isdhexgalka dhaqamada kala duwan, iyo fikirka naqdigaa ah iyada oo loo marayo barnaamij eLearning oo dhammaystiran iyo is-weydaarsiyo toos ah oo la fududeeyey; taas oo kor u qaadaysa faham qoto dheer iyo ka-qaybgal firfircoon oo lagu xaqiijinayo Himilooyinka Dhalinyarada Yurub iyo Himilooyinka Horumarka Waara.

Sida loo isticmaalo madashan

- Waxaad dhammayn kartaa cutubyada **xawaarahaaga adiga kuu gaar ah**.
- Cutub kastaa wuxuu ka kooban yahay xog kooban, su'aalo milicsi ah, iyo tusaalooyin wax ku ool ah.
- Ma jiraan jawaabo "sax" ama "khalad" ah. Waxa ugu muhiimsan waa ka-qaybgalkaaga iyo furfurnaanta aad u leedahay waxbarashada.
- Fikradaha aad halkan ku baranayso waxay dib uga soo muuqan doonaan kulamada tooska ah, doodaha, iyo hawlaha kooxeed.

Waxaan kugu dhiirrigelinaynaa inaad waqtigaaga qaadata, si daacad ah u milicsato, oo aad xiisayn sii ahaato inta lagu jiro safarka waxbarashada.

Ku saabsan koorsada elektarooniga ah

Barnaamijka waxbarashada onleenka ahi waa **bartaada bilowga ee is-weydaarsiyada dhalinyarada ee tooska ah** ee aad dhawaan la kulmi doonto. Waxaa loo qaabeeyey inuu kaa caawiyo dhisidda aqoonta, xirfadaha, iyo

Project Reference No 101193453
ERASMUS-EDU-2024-VIRT-EXCH

kalsoonida aad u baahan tahay si aad si firfircoon uga qayb qaadato doodaha macnaha leh ee lala yeesho asaag ka kala socda Yurub iyo meelo kale.

Barnaamijkan waxbarasho muxuu ku saabsan yahay?

Barnaamijka *Building Bridges* wuxuu ka caawiyaa dhalinyarada inay noqdaan **muwaadiniin caalami ah oo firfircoon, xog ogaal ah, kana qaybqaata**. Iyadoo la isku darayo cutubyo gaagaaban oo eLearning ah iyo is-weydaarsiyo toos ah oo onleen ah, waxaad sahamin doontaa mowduucyadan soo socda:

- **Himilooyinka Dhalinyarada Yurub** iyo sida ay ula xiriiraan noloshaada iyo bulshadaada
- **Caqabadaha caalamiga ah iyo Himilooyinka Horumarka Waara (SDGs)**
- **Isfahamka iyo wada-hadalka dhaqamada kala duwan**
- **Fikirka naqdiga ah**, hadal-jeedinta dadweynaha, iyo muujinta fikradahaaga si kalsooni leh
- **Ololaynta iyo ka-qaybgalka bulshada**, gaar ahaan xaaladaha dhijitaalka ah iyo kuwa caalamiga ah
- Cutubyada eLearning-ku waxay bixiyaan saldhig wadaag ah si marka aad onleen kula kulanto dhalinyaro kale, aad hore u haysato fikrado guud, luqad, iyo qalab milicsi oo taageera wada-sheekeysii furan oo xushmad leh.

Macluumaad muhiim ah

Sababo farsamo awgood, is-dhexgalka madashu si buuxda looma turjumin. Si kastaba ha ahaatee, waxaad isticmaali kartaa qalabka turjumaadda ee ku dhex jira biraawsarkaaga si aad u turjunto amarrada ka muuqda shaashadda. Fadlan hubi dejimaha biraawsarkaaga ama qalabkaaga si aad u dhaqaajiso shaqadan haddii loo baahdo.
